Bonus Issue

If a bonus issue of shares is made by the Company, then the number of shares issued to each Holder on Conversion will be increased by the number of bonus shares that a Holder would have received if the Note had been exercised prior to the record date for the bonus issue and no change will be made to the Conversion Ratio.

Reorganisation of capital

The Company may only reorganise its capital:

- (1) in accordance with the Listing Rules; and
- (2) if, in respect of the Notes, the number of Notes or the Face Value, or both, is reorganised so that the Holders will not receive a benefit that Shareholders do not receive.

Unless the Listing Rules require otherwise, the Conversion Ratio must be adjusted as follows:

- (1) Reduction in capital

If the issued capital of the Company is reduced, the entitlement of a Holder to convert its Notes to shares at the Conversion Ratio will be reduced in the same proportion and manner as the issued capital is so reduced (subject to any provisions with respect to the rounding of entitlements as may be sanctioned by the meeting of the members of the Company approving the reduction of capital) but in all other respects the Conversion Rights will remain unchanged.

- (2) Consolidation of capital

If the issued capital of the Company is consolidated, the entitlement of a Noteholder to convert its Notes to shares at the Conversion Ratio will be reduced in the same proportion and manner as the issued capital is so consolidated (subject to any provisions with respect to the rounding of entitlements as may be sanctioned by the meeting of the members of the Company approving the consolidation of capital) but in all other respects the Conversion Rights will remain unchanged.

- (3) Subdivision of capital

If the issued capital of the Company is subdivided, the entitlement of a Holder to convert its Notes to shares at the Conversion Ratio will be increased in the same proportion and manner as the issued capital is so subdivided (subject to any provisions with respect to the rounding of entitlements as may be sanctioned by the meeting of the members of the Company approving the subdivision of capital) but in all other respects the Conversion Rights will remain unchanged.

+ See chapter 19 for defined terms.

Redemption	Repayment of Face Value and any unpaid interest at the Maturity Date.
Early Redemption Event	<p>The Company may give a Redemption Notice in the event of a Takeover Event. Takeover Event means that if at any time on or before the Maturity Date, an off market bid, a market bid, scheme of arrangement, or offer or invitation is made to all holders of Ordinary Shares to purchase or otherwise acquire Ordinary Shares and the bid, scheme or offer becomes unconditional, and the offeror has at least 50% of the voting power (as defined by the Corporations Act) in the Company.</p> <p>Notwithstanding the issue of a Redemption Notice, a Holder may give a Conversion Notice (which may be expressed to be subject to Takeover Event completing) in respect of any of its Notes which are the subject of the Redemption Notice up to the before the relevant Redemption Date (or such later time as the Company may agree with the relevant Holder), and only Notes for which Conversion Notices have not been so given or are treated as having not been given will be Redeemed on the specified Redemption Date.</p>
Events of Default	<p>Customary events of default which are no less favorable than those under the Bizzell Nominees Facility (as amended), are to be incorporated in the formal transaction documents, including but not limited to payment, redemption or conversion breaches, cross defaults, suspension from trading for more than 10 days and insolvency events.</p> <p>While any Event of Default relating to a payment failure is subsisting, default interest at the Higher Interest Rate (as defined under the Bizzell Nominees Facility) will apply.</p>
Negative Pledge	There shall be no increase in the Equal Ranking Obligation Debt beyond its current facility limit without Noteholder approval being obtained.
No Dividends	No dividends may be declared or paid whilst the Convertible Notes are on issue without Noteholder approval being obtained.
ASX Listing	The Convertible Notes will not be listed on ASX.
Investor Eligibility	The Notes are being offered to 'sophisticated investors', 'professional investors' (under the Corporations Act) and investors who are exempt to disclosure requirements.
Cleansing Notice	The Issuer must issue a cleansing notice within 30 days of conversion of any Convertible Notes.
Note Trustee	Centec Securities Pty Ltd
